New York, NY - January 23, 2006 -- Prominent New York invitation studio is making its unique wedding and party invitation collection available worldwide via their website <http://www.majesticinvites.com>

[www.MajesticInvites.com](http://www.MajesticInvites.com) offers a wide range of wedding-related paper products, including scroll invitations, unique card invitations, envelopments invitations, pocket fold invitations, door style invitations, crystal invitations, jewel embellished invitations, embroidered invitations, thank-you notes, and reception place cards. Customers may also choose from coordinating accessories such as wedding programs.

"These are truly unique wedding invitations and accessories," says Alina Uzilov, the owner of [MajesticInvites.com](http://www.MajesticInvites.com). "They add a touch of originality to a special day and are immensely popular with guests and newlyweds alike. The individual upscale luxurious invitations designs evoke a certain sense of elegance, creativity and whimsy."

"Most people are very busy preparing for their events and parties," Choquet says. "[MajesticInvites.com](http://www.MajesticInvites.com) makes sure to make invitations selection and purchase process easy and stress free, and provides an impressive selection of high-end designer wedding stationery products, accessories and services, combined with friendly, hassle-free service.

Majestic Invites scrolls and other unique invitations include a multitude of embellishments such as embroidery stitching, crystals and rhinestones, tassels, ribbons, and others. Papers are high-end handmade silk papers, velvet papers, vellum papers, wooly cloth papers and more. The cards are very creative, handmade and appeal to the eye. As the owner states, "Our cards are not just invitations, they are works of art".
