

Major International Money Transfer Partnership Announced

With International Money Transfer becoming a huge part of both business and private lives, this new partnership spells the start of a new era in fully informed, no cost, exceptional service money transfers overseas.

January 25, 2006 (FPRC) -- Onestop Information Services Inc. is pleased to announce the completion of a major partnership agreement with HIFX Inc. International Currency Brokers. President of Onestop Information Services Dave Lymany explains:

“HIFX are one of the leading companies in the world who specialize in International Currency Transfer for both Private and Corporate clients. We operate a rapidly expanding web based information resource about Canada and Canadian Immigration which includes detailed information on transferring currency in the most advantageous way.

This arrangement is an excellent fit between the two companies and allows our visitors easy access to the exceptional service that HIFX are renowned for. This is a defining milestone for our website when we can attract an International Company of HIFX’s stature and be confident that we will deliver a first class return on investment.

Our dedicated information on International money transfer <http://www.onestopimmigration-canada.com/transfer> is quickly becoming a leading resource for anyone, business or private, who is looking for the best method of moving their money.

We are a truly global resource with site visitors from over 65 countries around the world looking for everything from vacation and trip ideas to Immigration information or even information on the different aspects of life in Canada. We even have several schools and libraries linking to the site as a resource.”

<http://www.onestopimmigration-canada.com/press> has been live for 2 years now and is maturing well. The site’s main focus is to provide the web information market with a Onestop information resource on Canada and Canadian Immigration. This will negate the requirement for constant searches on all the different facets of Immigration and Life in Canada as it will be all under the same site. If the information isn’t provided on one of the hundreds of pages on the site then a hyperlink is provided to the authority on that subject.
