FurnitureBlue.com increases its custom home furniture offerings with the release of the Sectionals section. The Sectional Sofas, manufactured by Palliser®, provide luxury seating to fit any size room with over sixty-four Top Grain Italian Leather and Microfiber colors. All sectionals are custom made to order and include FurnitureBlue.com's FREE White Glove Shipping from the factory. Upon delivery, FurnitureBlue.com delivery personnel carry the product to your room of choice, unpack, assemble the furniture, and dispose of all unwanted packaging materials.

Choose from nine Home Theater Sectional models (Acadia, Benson, Brunswick, Callahan, Carina, Dakota, Lyra, Regent, and Tracer) each having standard configurations and the ability for unlimited custom configurations to fit your room. You may upgrade your sectional with power recliners, a pullout queen-size bed, storage consoles, and a home theater ottoman for even extra storage space. Home Theater Sectionals use an innovative "Wall Hugger" design allowing you to fully recline with the recliner placed within inches of the wall.
