

## **Made-U-Look Promotions Launches New Outdoor Advertising Website!**

*Made-U-Look Promotions long awaited re-release of their newly updated outdoor advertising website is finally here! A cleaner, faster, and easier to navigate website awaits those who have been searching for the solution to their outdoor advertising rentals and sales needs.*

September 19, 2006 (FPRC) -- Whittier, California. Made-U-Look Promotions announced the re-launch of their Outdoor Advertising website. A total site makeover was conducted to bring a more uniform look to the entire site, to update product graphics, and to make the site easier to use for Made-U-Look Promotions customers. A cleaner approach was mandated, with the size of many of the original website's pages and graphics being decreased to ensure for faster page downloads.

Several new products were added to the newly released site, including what the management at Made-U-Look termed "Sneak Previews". These previews allow clients to see the many new and exciting products that Made-U-Look Promotions will be adding to their website in the coming weeks and months, as the management goes through the strenuous process of testing and evaluating each product for inclusion into their product line. Customers are encouraged to share their thoughts and opinions on any and all of the products that they see on the Made-U-Look Promotions website.

The management of Made-U-Look Promotions also encourages customers to suggest any and all new products that they would like to see that may fit well into the Outdoor Advertising rentals and Advertising Sales focus that Made-U-Look Promotions is known for.

Made-U-Look Promotions eagerly looks forward to being able to add newer and better content, such as event photo albums, product instructions and training, and project estimators, just to name a few. Check back on the new Made-U-Look Promotions website often and see how they can help you get the exposure that you need!
