

Poker Eon in Spanish

PokerEon.com is now available in Spanish and introduces new freerolls

February 27, 2007 (FPRC) -- Online poker room Poker Eon keeps on growing with a Spanish Poker version of the website that is already available in English and Swedish. Welcoming players from all over the world, Poker Eon provides all the required info, poker school game guides, and promotions in one of the most widely spoken languages in the world at <http://www.pokereon.com/Spanish>. The new Spanish pages will be soon joined by additional fully localized versions of the poker website.

Poker Eon has recently moved to a new network to accommodate all players and has launched a new schedule featuring guaranteed events and exciting freeroll that can be seen on PokerEon.com at the tournament schedule. \$1000 Free rolls are offered three times a week: Every Tuesday and Thursday there's a free roll at 9:00 PM Eastern US Time, to suit North and South American players. European players can enjoy the free roll scheduled to Sundays at 18:00 UTC (13:00 PM ET).

The new software features the most popular online poker game Texas Hold'em, as well as Omaha and 7 card stud with Hi-Lo games. In addition, Poker Eon offers new fast paced multi-player 3 Card Poker ring games. For players' convenience, Poker Eon accepts all three major currencies: US dollar, UK pound, and Euro, as well as Canadian dollar. The poker room also accepts a wide range of payment methods that provide instant deposits for free, for players of various countries.

As Poker Eon's community keeps increasing new promotions and special tournaments are added. In addition to freerolls and tournaments, Poker Eon features other great promotions including 100% match welcome bonus of up to \$100 Free for new players making their first deposit. Ongoing players accumulate points that are redeemed for more bonuses, and get special email offers every weekend, such as reload bonuses and more. To know more about our poker offers players are welcome to register and join in the Poker Eon experience.
