March 28, 2007 (FPRC) -- GAFY.com today announced the launch of its cutting edge eCommerce site providing humorous apparel to the social scene. GAFY.com specializes in fun and crazy shirts featuring adult humor themes, amusing sayings, proven pick-up lines, and in an unusual twist, the punch lines to classic jokes.

Fashioned from the belief that life should be enjoyed and that humor is often the best aphrodisiac, GAFY.com strives to provide clothing that generates discussion and human interaction. "In social situations, many people find it difficult to strike up a conversation with a stranger. Most often, the interaction begins with a silly comment or joke. "In a society where everyone wants to wear something different and unique, GAFY provides clothing that cannot be found anywhere else and gives the wearer an outlet to showcase their sense of humor," continues Drimmel.

Guided by the GAFY Talking Duck, visitors to the website can select from an extensive collection of designs, and choose from more than 160 styles and colors. Shoppers seeking advice can consult with GAFY's Talking Duck to help with buying decisions and to learn about specific designs. Clothing can be completely customized to each shopper's preference.
