

Education Today Magazine For School Education Professionals

Covering all aspects of school education from Kindergarten to Year 12, Education Today has a team of writers who are specialists in their own fields in education.

May 11, 2007 (FPRC) -- Education Today is a full colour, glossy magazine for education professionals and support staff in schools and is in its 7th year of publication.

Covering all aspects of school education from Kindergarten to Year 12, Education Today has a team of writers who are specialists in their own particular fields in education.

Education Today is highly regarded as being the best quality and most trusted education magazine in Australia.
