

Leading Platinum Travel Club Sales Trainer Joins Global Resorts Network(GRN):

Phil Gerber, Leading Platinum Travel Club Sales Trainer, has joined Global Resorts Network. With over 10 years of Internet sales and marketing experience, Phil has not only set the pace for many in this industry but fostered the financial growth of others.

June 16, 2007 (FPRC) -- During a recent AMG Network training, Phil said, "It is one thing to know that you have pushed through the initial challenges of creating long term wealth, it is another altogether to have the opportunity to pass on the benefits of what you've learned and gained to others. The beauty about Global Resorts is that the perpetual leverage plan not only allows you to do this but rewards significantly as well for the inevitable financial growth of those who take advantage of your resources."

Global Resorts has emerged as an industry leader in providing discount vacations as well as an industry leading home based business opportunity.

Global Resorts Network (GRN) provides an alternative to time share ownership, as well as a very lucrative home based travel business opportunity.

Global Resorts members enjoy 8 day - 7 night stays at luxury resorts for as little as \$298.00.

Members of Global Resorts Network may choose from 2 levels of membership. The Gold membership, which is only \$1,495, and the Platinum Lifetime Membership for only \$2,995. The Platinum Membership is valid for 100 years, and becomes part of your estate, and can be transferred to your children and your grand children, while the Gold Membership is valid for 3 years, however can be upgraded to the Platinum Membership.

The Global Resorts Perpetual Leverage compensation is also a first in the industry for members to earn \$1,000 commissions on each qualified sale from unlimited width, as well as depth. Industry leaders have flocked over to Global Resorts Network to take advantage of this unique and powerful Perpetual Leverage compensation plan.

Combining the 7 trillion dollar annual travel and tourism industry with Global Resorts Network inventory of over 5,000 4 and 5 Star Resorts with the Perpetual Leverage compensation plan, makes Global Resorts the business opportunity of 2007 and beyond.

Not only is Phil a member of Global Resorts Network, but also a user of their product. His family loved their last \$298 "Hot Week" vacation and plan to take many more with his GRN Platinum Membership.
