

## **PressMediaWire.com Announces New Press Release Membership Plan**

*A very cost-saving press release distribution membership plan has been unveiled to help companies promote their businesses and services, attract new clients and network with other top-notch business professionals.*

August 6, 2007 (FPRC) -- Sterling, VA August 06, 2007 -- PressMediaWire.com, a leading press release distribution portal by Online Directory Networks Inc, today announced the release of their new press release membership program. This cost-saving plan has been introduced to help companies market their services, boost their media outreach and reach their target customers.

This endeavor to help companies promote their businesses through affordable press release distribution is not just another package but has many exclusive and distinctive features associated with it. Following are the benefits you can avail of being a member of this incredible PR Membership plan;

- Unlimited press release submissions each month
- Company profile attached to all press releases sent
- Premium business listing in our business directory
- Live stats of how many time you press has been viewed
- Upload logos, images, add YouTube Video Scripts to your press releases
- URL links in your PR for search engine optimization
- Guaranteed news inclusion in FindTheSearch.com
- PR sent to Google News, Ask.com and thousands of subscribers of our RSS feeds

The site also has a membership plan for bloggers to promote their blogs on our site. PressMediaWire.com also accepts events listings on the site as well for free. For more information, visit us at [PressMediaWire.com](http://www.pressmediawire.com).
