

## **Over 58,000 Star Search Casting Members Contacted By Casting Directors & Agents in the Past 6 Months!**

*Star Search Casting announced today that over 58,000 of its members were contacted in the last six months by casting directors, talent agents & producers for auditions and work in TV, movies, commercials, stage productions, modeling etc. This amazing number shows Star Search has rapidly become the number one place for entertainment industry professionals to find new talent and budding stars including actors, models, singers, & dancers.*

August 8, 2007 (FPRC) -- Star Search Casting announced today that over 58,000 of its members were contacted in the last six months by casting directors, talent agents & producers for auditions and work in TV, movies, commercials, stage productions, modeling etc. This amazing number shows Star Search has rapidly become the number one place for entertainment industry professionals to find new talent and budding stars including actors, models, singers, & dancers.

Star Search attributes this incredible success to the sophistication of SSC's state-of-the-art talent search engine. This advanced technology allows industry professionals to find exactly the talent they're looking for easily and quickly. Star Search Casting has by far the largest pool of new talent and up and coming stars anywhere, making Star Search Casting the largest and most advanced talent database in the world.

With a global reach, [www.StarSearchCasting.com](http://www.StarSearchCasting.com) enables new talent to be discovered virtually anywhere. Using Star Search's talent database, casting directors are able to find the specific talent they need not only throughout the U.S., but in cities all over the world.

Star Search Casting is one of the largest, best-known and most trusted online casting services in the world and is recognized as the leader in the online casting industry. With over 225,000 members and millions of visitors each month Star Search is the number one place casting directors, agents and entertainment industry professionals go to find new talent and up & coming stars.
