West Palm Beach, FL (FPRC) August 15, 2007 --Discount golf store adds over 500 new golf products including golf books, CD's, DVD's, videos, and cassettes will improve and develop your winning golf game.

Would you like to improve your golf game both mentally and physically? A collection of golf instructional books, CD's, DVD's, videos, cassettes, and mental training aids, will help you discover and consistently play your personal best game of golf, achieve your perfect golf swing, consistently hit great drives, cure putting problems, conquer fears, master tension over mental golf skills, develop a positive attitude, boost confidence, while truly enjoying the game. DVD and instructional videos take you through easy to follow lessons, how to practice, improve, and perfect your game on the course.

Tiger Woods: How I Play Golf is a combination of the physical, metaphysical, and psychological practices that Tiger uses daily to keep his game at the top. Golf Digest's Jim McLellan's Golf Swing Videos offer timeless wisdom passed on in the tradition of the old Scots. Experience the closest thing to being on the lesson tee with the world's greatest golf instructor David Leadbetter as he guides you through every aspect of the golf swing.
