September 25, 2007 (FPRC) -- One of the most exciting aspects of The Berry Tree is the ability to earn on every active member in the whole company through the monthly bonus pools. Once someone qualifies for the bonus pool, every member in the entire company is then counted in their commissions and they continue to earn a percentage every month on their volume. Even if they have not sponsored anyone!

The triple your money back guarantee simply means that after 20 months as a member of The BerryTree, if you do not qualify for the Bronze Bonus Pool then the company will triple your money back (\$55\*20\*3).

Monthly Bonus Pools allow you to earn on everyone in the entire Berry Tree. When someone enrolls 10 members or more they become eligible to participate in additional Bonus Pools. These pools are paid on the Entire Berry Tree Membership. One dollar of every Berry Tree Member gets split between all of the members that qualify for Bronze or higher.

So how does someone qualify for the Monthly Bonus Pools?

Here is what is so powerful; there are no sponsoring requirements or quotas to meet. Just stay with the company and your success in reaching the Bonus Pools is guaranteed. Every two months that you are a member in good standing you will accumulate Berry Member Credits, (BMC's). By accumulating more and more BMC's you move higher in the Bonus Pools and earn more and more.

So how do you get BMC's? They are given automatically to members for being active. For every 2 consecutive months that you are active you receive one Berry Member Credit. As long as you remain active you can never lose your credits. They keep accumulating, allowing you to steadily advance in the program.

So if you are passive in The BerryTree then it will take 20 months to accumulate 10 BMCs. But, you can also reach the monthly Bonus Pools in half the time! How? By activating your Automatic Builder website and upgrading your Nutronix position to an Executive position or higher you will receive DOUBLE the amount of BMC's every 2 months! With only 10 BMC's, you qualify for the Bronze Pool, the amount of which varies depending on how many members are in the entire company and how many actual qualifying members are in the bonus pool.

The BMC's will ensure that members can climb into Bronze, Silver and Gold Ranks in a totally passive manner.

The Bronze Pools will increase a lot based on the numbers coming in and a number of changes that have been made recently. It is expected that a Bronze could be earning up to \$150 a month without

having introduced a single member!

Success at the Bronze Level is the key to the success for the whole BerryTree. If totally passive members come in and are fully aware that it will take time to qualify with BMC's, but know that it is likely that they will be earning more than they spend, potentially a LOT more, then they will never leave and the tree grows.

If you refer 10 people, you will qualify for our BRONZE Bonus. One Dollar of every Berry Tree Member gets split between all of the members that qualify for Bronze or higher.

You will become a SILVER MEMBER if you enroll 25 members. You can also qualify to be SILVER if you qualify as a BRONZE, and you and all the people you enrolled, refer a total of 25 members. An additional \$1.00 of every member in the company will get split between SILVER MEMBERS. This means that you would get a share of \$2.00 on every member in the Berry Tree.

You will become a GOLD MEMBER if you enroll 50 members. You can also qualify to be GOLD if you qualify as a BRONZE, and you and all the people you enrolled, refer a total of 50 members. An additional \$1.00 of every member in the company will get split between GOLD MEMBERS. This means that you would now get a share of \$3.00 on every member in the Berry Tree.

Another way to qualify for the Bonus Pools is by sponsoring others.

Example: When your BMC's plus your Personally Sponsored Active Members equals 10 or more, you will be at the Bronze Level and you are eligible to earn on everyone in the company.

No one has EVER come up with a program like this that SERVES THE PASSIVE MEMBER!

Success is now GUARANTEED for every single member of The BerryTree!
