September 27, 2007 (FPRC) -- Premium dune buggies from manufacturers Carter Brothers and Joyner are now available from Dune-Buggy-Crew.com. All Team Joyner dune buggies are prepped and tested before shipment. Simply insert gas and oil, perform a visual check, and enjoy the dune buggy experience without the hassle of assembling. Through the ease of online purchasing, merely point and click on a premium assembled dune buggy and Dune-Buggy-Crew.com will ship it for free.

The online financing program at Dune-Buggy-Crew.com makes purchasing a dune buggy safe and simple. Providing competitive terms and rates, Dune-Buggy-Crew.com offers online approval within 24 hours with no application fee or down payment. Terms range from 12 to 84 months for qualified customers with no prepayment penalty.

The Dune Buggy Crew has been selling and servicing dune buggies for more than 10 years. The knowledgeable support staff and experienced mechanics provide an expert resource when servicing or upgrading a dune buggy. Everyone at Dune-Buggy-Crew.com drives dune buggies, while most members own them.

Dune-Buggy-Crew.com partners with only select, top-tier motor sports manufacturers. Unlike many competitors, Team Joyner dune buggies are assembled in the USA. Prior to shipment, all dune buggies are fully prepped and tested, including the wheels and tires. Other companies may require extensive assembly and preparation time, but with the ease of online purchasing and the experience of the Dune Buggy Crew, simply select a preassemble dune buggy and enjoy the ride.

Dune-Buggy-Crew.com showcases a variety of models with many outstanding features and options from top tier manufacturers. Offering an assortment of engine sizes from the Carter Talon GSX 150cc to the Joyner Sand Viper 1600cc, Dune-Buggy-Crew.com also provides 2 and 4 seat options for the gas and go thrill of dune buggy driving. Dune-Buggy-Crew.com even offers custom air brushing on all Joyner models to make any dune buggy stand out.

Dune-Buggy-Crew.com sells premium models such as the Joyner 1100 Sand Viper. Not for the timid or faint of heart, this 2-Seater buggy contains an 86 horsepower engine and is capable of speeds up to 85 miles per hour. The Joyner 1100 Sand Viper showcases a 4-speed manual transmission with reverse independent front and rear suspension and hydraulic disc brakes allowing riders to tackle the toughest terrain in comfort and safety.

Dune-Buggy-Crew.com promises a 100% Satisfaction Guarantee on all purchases. Unlike other sites, at Dune-Buggy-Crew.com the posted price is the purchase price. Dune-Buggy-Crew.com not only offers competitive pricing, but also a 110% Lowest Price Guarantee. Sales tax is not added except for the state of California. Further, Dune-Buggy-Crew.com provides free shipping within the lower 48 states and express lift gate service at no extra charge.
