

## Show Off Your Dog at The Dog Guide's Free Dog Photo Contest

*The Dog Guide, a popular dog site, is glad to announce the start of their dog picture contest. Dog owners are invited to submit their dog pictures and have a chance at winning some cash.*

September 30, 2007 (FPRC) -- The Dog Guide (dogguide.net) is excited to announce their highly anticipated dog picture contest.

Our dog photo contest is open to all dog owners and we encourage everyone to tell their friends and family about the event and get their pups entered as well. The more participants we have, the more fun the contest will be.

A new contest starts each month. Photos should be sent in sets of six. All photos will be published online, even if you do not win a prize.

As one of the most popular dog lover sites on the internet, we have experienced exponential growth. Our site visitors love posting pictures of their beloved pets, adorable puppies and family photos with Fido included.

This is a great opportunity to show off your dog and get his or her face online for the world to admire. Whether your pooch is a comedian and always goofing off, a somber and distinguished canine ambassador, or a lovable companion who has never met an enemy - every dog is welcome. Don't forget the puppies, too. Let them share the spotlight and say "Milk Bone" for the camera.

When you send your dog's photos, send them in sets of six, and make sure you include his or her name in the description. We don't want to be calling a "Lucy" a "Larry" by mistake.

Each month we choose the top 3 dog pictures. First place will receive \$30, second place receives \$20 and third place will receive \$10.

For more rules and prize information, visit our website at [www.DogGuide.net](http://www.DogGuide.net). Also, here is a link to the photo contest area.

What are you waiting for? Go grab your camera, find Fido, and start shooting!
