

The Berry Tree Free Trial Is Now Available

Press release from: UcanTo.com Advertising

This new free trial will make it possible for anyone to join The Berry Tree, check out the system for 30 days, and get a sample of the new product along with a full color catalog. This offer is backed by Nutronix International and Horizons Marketing who are two well established and profitable companies that support and believe in The Berry Tree program.

November 6, 2007 (FPRC) --

What exactly does this free trial include?

A new product will be introduced along with the O2 Berry product, and will be called the Berry Green Boost. This Berry flavored energy powder (same concept as crystal light) can be made into a long lasting energy drink. It will be in easy to carry satchels with every \$4.95 trial. This is a WOW kind of product and a lot of people are going to want to continue with The BerryTree just so they can get more of this new product once they try it. The new Berry Greens Boost product is something that will be very easy to promote. The powder is mixed with water, tastes like berries and has the nutritional content of eight servings of vegetables.

Full Access to the BerryTree website for 30 days. This includes an online training system with a built in lead capture page that will be upgraded on a regular basis.

Once a free trial is started the member can go directly to their online training center and start to learn about the benefits of becoming an active member before their free trial is up.

Every new trial member also has the option of contacting their sponsor through their backoffice to benefit from their very own Personal Business Coach.

A free Nutronix membership that allows buying at wholesale prices. Nutronix is an established 8-year-old, debt free, global leader in the health and wellness industry.

A Wonderful Nutronix / BT Magazine style Catalogue with over 50 products, all delivered to virtually any place on the planet.

This is the only home business opportunity that can guarantee your success. How? Because all new members that come from the company advertisement are rotated amongst all the current members. You also earn Berry Member Credits for every month that you stay an active member. These credits will allow members to earn from every single member in the company.

The trial offer will not only allow anyone to try a great product but will also provide an easy to use automated system that is low cost and provides exciting income potential. .

This reporter has been a BerryTree Distributor since April of 2007 and has a system of duplication in place that can help anyone succeed. He currently resides in Newark, Delaware.
