November 9, 2007 (FPRC) -- London, UK

Webooks.co.uk is a new website offering UK landlords free access to an exclusive guide to letting in the full text of "The New Landlord's Guide to Letting" – a book authored by Moira Stewart and published by How To Books.

Part of a new initiative aimed at revolutionising the print publishing industry, this online "WeBook" is the first in a series of more than 200 books that will go online during the remainder of 2007. The Webooks website hosts various titles relating to moving abroad, buying to let and the issues facing expatriates, all of which are free to read online.

The book guides potential landlords through the maze of issues surrounding buy to let, including :

- * Using letting agents.
- * Preparing your property.
- * Dealing with legal issues.
- * Finding a tenant.
- * Operating and ending the tenancy.
- * Dealing with taxation.

Moira Stewart has had many years experience of letting property and is herself a highly successful private landlord.

On www.WeBooks.co.uk you can also check out the author's blog, interact with other budding landlords in the forum, find useful websites in the directory or download the PDF version of the ebook from the online store.

There is no charge for reading all or part of the book and no need to register, though visitors can sign up for a newsletter that will alert them as new titles are added to the online collection.
