Free ebook from Webooks.co.uk offers free information and advice to those planning to invest in buy-to-let property to rent to students. Users can access the full text of "Investing in Student Buy to Let", a step-by-step guide to purchasing, marketing and letting a student property.

November 22, 2007 (FPRC) -- Introducing a new ebook covering all aspects of buying properties to let to students. It deals with everything from checking the electrics of your potential property to promoting it to the student market.

London, UK – 22-11-07

Webooks.co.uk offers the full text version of Ajay Ahuja's Investing in Student Buy-To-Let, featuring chapters on:

- Choosing the right property
- Finding tenants
- Renovating and converting your property
- University towns
- Reselling

The book is free to read online, and there's no need to register.

As well as being a buy-to-let mogul, Ajay Ahuja is a chartered accountant. He is founder and owner of Accountants Direct, advises various local councils and accommodation projects, and works to provide innovative solutions to problems facing the homeless. He also consults with corporations and private clients to help build property portfolios.

On the Webooks site users can check out the author's blog, chat to other budding landlords in the forum, and find useful websites in the directory. A PDF version of the ebook is also available to download from the online store.

This online "WeBook" is the first in a series of more than 200 books that will go online during the remainder of 2007, as part of an initiative to revolutionise the print publishing industry.

Visitors can sign up to the newsletter, to receive alerts when new titles are added to the online library.
