Visa made easier: essential guidebook to becoming a US citizen

Henry G. Liebman negotiates the labyrinth of regulations surrounding entry to the USA in this essential guide for all future US citizens. Cutting through the red tape, this book provides a step-by-step approach to determining the necessary visa, and how long it might take to acquire.

Topics covered include:

- Visa types and limitations
- Staffing a US company from abroad
- The interview
- Social security
- Avoiding visa pitfalls

The book is free to read online, and there is no need to register.

Henry G. Liebman is a practicing lawyer in Chicago, Washington, and managing partner in Coe, Nordwall and Liebman, Attorneys at Law, and knows the visa system inside-out. He puts his experience to use in this guidebook which is as accessible as it is informative.

On the Webooks site users can check out the author's blog, chat to other applicants in the forum, and find useful websites in the directory. A PDF version of the ebook is also available to download from the online store.

This online "WeBook" is the one of a series of more than 200 books that will go online during the remainder of 2007, as part of an initiative to revolutionise the print publishing industry.

Visitors can sign up to the newsletter, to receive alerts when new titles are added to the online library.
