

## **CNC, CNC Forum, and CNC Videos Website To be Released in Seven Days**

*CNC Website with CNC, CNC Videos, and much more is now just Seven Days from the Official Launch. CNC Information will have special offers for new members and offer free membership with its official CNC Launch in Seven Days.*

February 23, 2008 (FPRC) --

In just seven days, CNC, CNC Videos, CNC Forums, and plenty of other features will be officially release at the new CNC Information website, CNCInformation.com. The website has been in its Beta stage. Ivan is on tract with the CNC Information Launch and CNCers everywhere are counting the days down until the CNC Site moves from Beta to officially launched. The site can be viewed at the following website address: <http://www.cncinformation.com>.

Ivan has kept his CNC Information website in Beta for a few months now gathering feedback from his current CNC Members and has been busy adding features such as a CNC Forum that is organized and ready for use as well as plenty of CNC videos that Ivan himself has created as well as CNC Videos from other experts in the CNC world. Ivan's has a talent of listening to his users and trying to implement as many of the features as possible to satisfy CNCers everywhere. Some of the features that Ivan has currently on his CNC website are:

- CNC Videos
- CAD Tutorials
- CAM Tutorials
- CNC Info
- CNC Forums
- CNC Blogs
- CNC Galleries
- CNC Profiles
- CNC Chat Rooms
- CNC Messaging
- CNC Language Translations
- CNC Template Resizing
- CNC Project Videos
- CNC Basic Lessons Videos
- CNC Links

Ivan has plenty more to add to the website in the next seven days. Users can Join the website for FREE. Free today and Free tomorrow. To join the website users can go to the following web address to join: <http://www.cncinformation.com>.

Ivan is a CNCer himself and his vision is to create a website that is a CNC Information Community. This Community is a community of people who share their knowledge with others and help others out on their journey to CNC.

To celebrate the official launch of his CNC site, Ivan has created a Super Bonus that is available

FREE to CNCers who join his website. What is this bonus? This bonus is a CNC How-To Video series with CNC Industry Secrets. It is a 13 part videos series on taking a Simple Image and Converting it over to CNC. CNCers will now be able to take a picture, photo, line art or graphic of any sort and change it into a CNC Work of Art. CNCers will now have to power in your hands that people strongly guarded.

Here are some uses for this video series:

- Plasma and Laser Cut Art
- Custom CNC Wood Routings
- Signs of All Types
- Part Customization
- Personal Gifts
- New Business Opportunities
- Impress Your Friends with your CNC Prowess

Users who will have the ability to sign up as users for free in order to get this Secret Bonus as long as they commit to Ivan's 5x5 comittment deal – more on this 5x5 deal in the next Seven Day.s To visit Ivan's website, visit his website at the following address: <http://www.cncinformation.com>.

About CNC Information: CNC Information is a CNC Community website that is dedicated to bringing users closer to CNC.
