

## **Refreshing New Book Provides Definitive Answers to Questions About Life After Death**

*A revealing new eBook, entitled "Shocking Secrets Of The Spirit World" has been written by a team of researchers who have studied this fascinating topic for over 30 years. Shocking secrets, which have been revelations to select few, are now being presented in one concise information source for the FIRST TIME IN HUMAN HISTORY !!*

February 26, 2008 (FPRC) -- Readers of any faith will discover a renewed sense of purpose and love through a life-changing new book, Shocking Secrets Of The Spirit World. Unlike any work of its kind, it explores history, religion, science, and near-death experiences, and clearly reveals the secrets of the Spirit World and the universal spiritual laws which govern it. .

Much more than a compelling intellectual journey for the curious, Shocking Secrets Of The Spirit World shatters the myths and dispels the misinformation which has been perpetrated for centuries about life after death. What REALLY happens after I die? Will God send me to Hell to burn forever? What is the purpose of my life on earth? These and many other questions are answered in specific detail. The book offers practical suggestions for a happier, more fulfilled life both here on earth and eternally in the Spirit World. Readers of any faith will discover a renewed sense of purpose and love through this life-changing book.

Shocking Secrets Of The Spirit World is the result of painstaking research compiled by the Family Education Foundation's team of researchers, historians, and spiritual counselors, concerning the phenomena of life after death in the Spirit World. Its sources include religious texts, spiritual and secular books, and consultations with psychics and mediums who have had first-hand experiences with the Spirit World. Shocking Secrets Of The Spirit World is currently being offered as an ebook, with the print version expected later in 2008. It is available at [www.spiritworldsecrets.com](http://www.spiritworldsecrets.com) .
