March 4, 2008 (FPRC) -- George Tisdale: Innovator of Urban Retro Rock signs with Murray Media Music and gains International Distribution with Crownn Recordings

Atlanta, GA – Murray Media Music and George Tisdale, Innovator of Urban Retro Rock are breaking new ground with the Born Free Movement, by releasing the first phase of Tisdale's highly anticipated album "Liberation" in the spring of 2008. George Tisdale recently signed with Murray Media Music of Atlanta, GA, which completed a deal with Crownn Recording Group of Munich, Germany, for the international release of all four phases of the Born Free Movement. "Born Free Phase 1: Liberation", will be released in the United States by Murray Media Music.

The skillfully composed 5-track mini-album, produced by Simon Illa, Unbreakable Music and written by Tisdale and emerging songwriter Summer Galvez, was recorded and mixed in part at Gamble and Huff's Sigma Sound Studios in Philadelphia. "Liberation" speaks to the substance of equality, individual emancipation, freedom from personal inhibitions and the joy of living a liberated life.

Dee Dee Murray, CEO, Murray Media Music, Atlanta, GA, states - "I am excited about the infinite possibilities of the newly established partnership between Murray Media Music and Crownn Recording Group to release the music of George Tisdale. The Born Free Movement is about the tragedies and triumphs of L.I.F.E. George's music is realistic and inspirational. Globally, it's music that we can all relate to and I am extremely honored to be in a position to work with Crownn Recordings to spread George's message through out the world. Expect great things from Murray Media Music and Crownn Recordings...we are just getting started!!!!"

LIBERATION, the substance of equality ~ INDEPENDENCE, the essence of freedom ~ FAITH, trust without reason ~ EMANCIPATION, the fabric of deliverance ~ "BORN FREE", life without limitations ~ GEORGE TISDALE... the innovator of Urban Retro Rock ... [Murray Media Music/Crownn Recordings 2008].
