

Rocklahoma 2008 Generator Rentals

Generator Rentals of Oklahoma announces the plan to deliver thousands of generators to the campsites of Rocklahoma, Country Fever, and Bikelahoma Guest from around the United States.

March 22, 2008 (FPRC) -- By popular demand guest of the 2008 Rocklahoma Music Festival in Pryor, Oklahoma have continued to call into the local Rentarvnow.com office requesting generators rentals and travel trailer rentals to be delivered to the Rocklahoma , Country Fever and Bikelahoma events this year. Rent-a-RVNow.Com partnered with Generator Rentals of Oklahoma to bring and delivery 1000 generators for this yearly event. These generators are available for rent on a 1st come 1st serve basis. As stated on the Rocklahoma.com website the camping at the Rocklahoma event is a primitive setup meaning No electricity or water hookups. In this case in order to pump water from the fresh water holding tanks of a travel trailer requires electricity and the only electricity available is by portable generator if the RV's and travel trailers are not already built onto the unit. Allot of people are flying in rent a car or driving personal vehicles from home and just wont have the ability to carry along a generator from home so renting one near by make allot of sense.

Rocklahoma 2008 dates are July 10th - 13th
Country Fever 2008 dates are June 12th - 15th
Bikelahoma 2008 dates are April 18th - 19th

Generator Rentals for this event are broken down into 2 Categories. Basic Generator and Standard Generator Rentals. Each generator can be deliver to the campground and all rentals have unlimited usage and no per hour charge.

Basic Rental - Rocklahoma / Country Fever - Basic Generator Rental 3000 Watt - \$226.78
Standard Rental - Rocklahoma / Country Fever - Standard Generator Rental 4000 Watt - \$283.49

If renting a generator online at <http://www.rocklahomageneratorrentals.com/> isn't easy enough then a special hotline has been set up to handle any phone orders for the Generator rentals by calling toll free (800) 470-7492
