April 29, 2008 (FPRC) -- Chi Activate and Sancha Jewelry have decided to collaborate to provide a wider variety of unique, high quality gift ideas just in time for Mother's Day.

The partnership is a natural fit, as both companies share a similar mandate, to provide unique, high quality products that help customers look and feel beautiful.

Chi Activate has always been about providing unique beauty and wellness products such as the Fyola facial massager. The Fyola facial massager is a new revolutionary beauty device. It revitalizes the skin by maximizing the absorption of nourishing ingredients into the skin.

Another unique mothers' day gift is the Ultrasonic Aromatherapy Diffuser, which maximizes the healing and air freshening properties of essential oil, resulting in cleaner air and the creation of a refreshing atmosphere in the room.

Sancha Jewelry will be providing a limited collection of unique high-end jewelry for Mother's day gifts. This luxurious jewelry is handmade with love in Canada, and the designs and craftsmanship are of exquisite quality and utilize beautiful materials.

As a special Mother's Day promotion, Sancha Jewelry has designed exquisite genuine ruby earrings and delicate ruby pendant necklaces, as well as aquamarine jewelry and genuine Swarovski crystal earrings, all in price ranges to suite all budgets. A perfect opportunity to spoil deserving Mothers!
