

A New Season with New Looks from Lydia's Professional Uniforms

A new season means a new catalog at Lydia's Uniforms. The Summer 2008 Catalog has been released with new looks and styles. Everyone who wears scrubs will want to see what this new catalog has to offer.

May 12, 2008 (FPRC) -- The Summer 2008 Catalog from Lydia's Professional Uniforms has just been released. The catalog, which is packed with new medical uniforms, scrubs and medical supplies, has been sent out in the mail. The new products are also available through the company's expanded web selection on their website: <http://www.LydiasUniforms.com>.

In the Summer 2008 Catalog customers will find new styles from top designers such as Koi, Cherokee, Dickies, Peaches, Katherine Heigl, L.A. Rose, White Cross and It's Happy Bunny. Many of these new styles have a strong emphasis on fashion as well as function.

Not only does the catalog feature new summer looks, but also many great offers. This catalog offers scrubs as low as \$4.49. In addition there is a wide range of sizes to suit all Lydia's customers. Sizes range from XS-5X, as well as petite, tall and junior sizing. And to top it off, customers can receive same day shipping when they order by 4 p.m. Monday through Friday.

For those customers who have not received a catalog, but would like to; there is a catalog request form online at <http://www.lydiasuniforms.com/catalog-uniforms.asp>. Consumers can also contact Lydia's Professional Uniforms via telephone at 1-800-942-3378 to request a catalog. For those who would like to shop the new looks from their computer, head to Lydia's homepage at: <http://www.lydiasuniforms.com> and follow the link to all new items.

Lydia's Professional Uniforms looks forward to providing customers with the newest styles at the best value with their Summer 2008 Catalog.
