July 7, 2008 (FPRC) -- In an ongoing effort to offer aspiring singers, dancers, actors and models all of the tools and resources they need to land jobs in the entertainment industry, Star Search Casting ( [www.StarSearchCasting.com](http://www.StarSearchCasting.com) ) is offering one-on-one talent consulting with Hollywood talent scout Lynn Venturella. For only \$9.95, Star Search Casting members get expert advice on pursuing a career in Hollywood, and tips on how to make their acting, singing, modeling and dancing dreams come true.

Lynn Venturella has worked as a top Hollywood talent agent and talent scout, helping to guide the careers of actors, dancers, singers and models. She got her start in the industry as a child actress so she knows firsthand the challenges that many aspiring performers face when trying to find their way in the competitive entertainment industry. Currently Lynn works as a consultant and trainer specializing in helping individuals interested in pursuing careers in acting, dancing, singing and modeling reach their dreams.

With over 40 years in the entertainment industry, it's no wonder that Lynn Venturella is a pro and spotting talent and molding tomorrow's stars. Holly Bonelli is just one of many now successful actresses that benefited from Lynn Venturella's sound advice and guidance. Holly Bonelli always wanted to be an actress. She spent much of her time studying music, dance, and acting to help propel her towards her dream. While she appeared in several commercials and photo layouts, it wasn't until she met Lynn Venturella that her Hollywood dreams came true.

Lynne Venturella spotted Holly while touring through Cincinnati. "Lynne told me I was going to be a star, and that I must come to Los Angeles to perform in her showcase," said Holly Bonelli. And Lynn was absolutely right. Since Holly participated in Lynn's showcase, her acting career has skyrocketed and she has appeared in multiple television series and films such as Ugly Betty, All of Us and For Your Consideration directed by Christopher Guest.

For aspiring entertainers considering a career in acting, dancing, singing or modeling, a session with Lynn Venturella is a great opportunity to find out how to make strides in the industry. She's helped hundreds of actors, singers, dancers and models navigate their way toward success, and she's offering the same top-notch advice to Star Search Casting members for just \$9.95 per session.

"If you haven't asked Lynn Venturella for advice or private consulting yet, you should! I did and because of Star Search Casting and Ms. Lynn, I am meeting with one of Christina Aguilera's producers," said Ashleigh Brooke, a Star Search Casting member from Winchester, Tennessee.
