*Wedding favor specialists My Wedding Favors lands a prestigious slot on Modern Bride's Top 100 Things We Love list.*

Atlanta, GA July 15, 2008 (FPRC) -- My Wedding Favors at <http://www.myweddingfavors.com>, a premier online provider of boutique-quality wedding favors and accessories, has been named to Modern Bride Magazine's "Top 100 Things We Love." Compiled annually, the list features their best picks for wedding favors, gifts and accessories for 2008.

Two products from MyWeddingFavors.com are included on this year's list. The music-themed favors listed at #76 include the "Ain't Love Grand?" piano and the "Music Stand" place card holders. Sold separately, the diminutive replicas of a black grand piano and a classic music stand with "sheet music" can hold photographs as well. The grand piano place card holders are among the complete line of wedding products offered on MyWeddingFavors.com from Kate Aspen, a leading manufacturer of distinctive wedding favors. Ranked at #28 is the Garden Topiary Photo Holder from Kate Aspen, which is also offered at MyWeddingFavors.com. Sold in sets of four, this affordable topiary plant also functions as a place card holder for garden and outdoor weddings.

The much-anticipated list is featured in the August/September 2008 issue, and most retailers and manufacturers consider it an honor to be among the ranks. "We are extremely proud that Modern Bride chose to showcase two of our unique wedding favors this year," says Brooke Johnson, Retail Manager for [www.myweddingfavors.com](http://www.myweddingfavors.com). According to Modern Bride, the list features "Great Stuff at Great Prices" and is frequently used by discerning brides as they plan their weddings. Other types of products that made the list include silver-plated wedding-cake holders, elegant monogram stamps, mini gumball dispensers, personalized Hershey's Kisses, seashell card holders, hot cocoa favors, eco-friendly garden-themed wedding invitations, wedding message hearts, personalized fortune cookies, silver-plated wedding bells, fans and seashell cookies. Similar items, and in some cases the items themselves, can also be found at MyWeddingFavors.com
