

Tube Toolbox 2.0 Released! Get Ready to Become Famous on YouTube (TM).

Sincell, LLC, has released version 2.0 of their award winning YouTube Marketing Software packed with new features, a brand new look and a whole new attitude.

San Diego, CA (FPRC) July 17, 2008 -- YouTube's most popular marketing software is back with a powerful punch. Tube Toolbox version 2.0 has been released and is ready to take you and your YouTube channel into stardom.

Tube Toolbox works by automating many of the mundane tasks that YouTuber's perform in order to promote their videos and YouTube Channel such as sending Friend Requests, Messages, Subscription Invites and Comments. The software works day and night while YouTubers are at work, school or even asleep.

In conjunction with the Tube Toolbox 2.0 release, Sincell, LLC has launched the Tube Toolbox Affiliate Program. This program allows individuals and businesses to earn 40% of each Tube Toolbox referral and additionally earn free lifetime Tube Toolbox accounts. Complete details can be found at <http://www.Sincell.com/Affiliates>

New features include automated 'Share a Video' feature, group and list management, new reports and sending history, new recipients list filtering and a whole new tool panel. A complete listing of new features and enhancements in version 2.0 can be found on Tube Toolbox's blog: <http://www.TubeToolbox.com/Blog>
