

A1 Medical Supplies Expands Product Lines

A1 Medical Supplies is the leading supplier of used stair lifts. They have recently greatly expanded their inventory.

July 23, 2008 (FPRC) -- A1 Medical Supplies is very excited to announce the addition of many new home mobility products and mobility aids to their already extensive inventory. A1 Medical Supplies has long been recognized as the number one resource for new and used stair lifts. Recently they have begun offering other types of home medical equipment, which includes many different types of home lifting devices, mobility scooters, electric wheelchairs, lift chairs, and much more.

With this change in inventory comes several new manufacturers. A1 Medical Supplies still carries AmeriGlide, Acorn, and Summit mobility products, but they now also carry mobility aids manufactured by Golden Technologies, Pride Mobility, and Shoprider. These companies are leaders in the mobility industry and A1 Medical Supplies has taken great care to ensure that they only offer products that are reliable and built to last. Their online catalog now contains over 500 quality mobility aids.

A1 Medical Supplies is determined to provide not only quality home medical equipment, but also helpful and informative support. To ensure that their staff is ready to answer any question the customer may have, the staff at A1 Medical Supplies has undergone extensive product training. They are extremely knowledgeable about these products and are ready to answer any questions or concerns you may have. This expansion will not interfere with their used stair lift department, which provides completely refurbished used stair lifts that are covered by a minimum 6 month warranty.

With their headquarters in Cary, NC, A1 Medical Supplies is determined to provide reliable products in a timely fashion.
