

US Medical Supplies Announces Update to Pride Lift Chair Collections

US Medical Supplies is excited to announce an update to Pride's Lift Chair collections. These changes include an additional collection of lift chairs and a reorganization and naming of the other lift chairs.

August 18, 2008 (FPRC) -- US Medical Supplies, the leading supplier of home mobility equipment and medical supplies, is pleased to announce an update to the Pride Lift Chair collections that everyone has come to know and love. These updates include a better categorization of the Pride lift chair offerings as well as the addition of a new Specialty line of lift chairs. Always the industry leader, Pride's latest update to the lift chair collections will make finding the right Pride lift chair even easier.

The former Casual Line, has become the Classic Collection and features 4 very well priced lift chairs. The Classic Collection is made up of 2 and 3 position lift chairs, which includes the Pride C10 lift chair.

The Heritage Collection, replaces the Gentle Line, and is one of the most versatile collections of lift chairs around. This is because it offers 7 different chairs of various size and width to fit almost anyone's body. The chairs in this line can support between 375 and 600 pounds, which makes it a very versatile collection of lift chairs.

The Elegance Collection, which replaces the Luxury Line, is made up of more than 15 different lift chairs that are designed to be extremely comfortable and very stylish. The chairs can be customized with micro-suede, UltraLeather, or Promessa.

The Specialty Collection is new to the Pride Family of Lift Chairs and offers chairs with special features and options. This includes special features like removable armrests to make it easier to transfer into and out of the chair, extra tall chairs, sleeper mattresses, and armrest pockets. In addition Prides Wall Hugger chairs, which can be placed as close as 6 inches from the wall while still reclining, are included in this collection.

US Medical Supplies, based out of Raleigh, North Carolina, offers the most affordable rates on mobility aids, like stair lifts, mobility scooters, and diabetic supplies. Their staff is standing by to answer any questions you may have about the new collections of Pride Lift Chairs and is prepared to make the transition as easy as possible.
