

MyWeddingAccents.com Introduces New Cake Jewelry Product Line

My Wedding Accents.com, an online retailer of wedding accessories, favors and gifts has introduced a new Cake Jewelry product line.

September 18, 2008 (FPRC) -- My Wedding Accents is proud to introduce a new product line of Swarovski Crystal Monogram Cake Toppers which are available for purchase at www.myweddingaccents.com.

As seen in Bride's Magazine, InStyle Wedding, Bridal Guide and Martha Stewart Weddings, monogram cake toppers are one of the latest trends for adding a personal touch as well as drama and pizzazz to your cake.

My Wedding Accents offers a beautiful selection of monogram cake toppers to choose from. They are available in sterling silver or gold plated and have Genuine Swarovski Crystals for the ultimate in sparkle! The cake toppers are also available in single letters, initials or numbers for a birthday, wedding anniversary, Quinceanera, or a Sweet 16 celebration. Other popular cake jewelry styles available are the heart monogram cake toppers, Endless Love Double Rings wedding cake topper, and Swarovski Crystal Heart sprays.

'The monogram cake toppers make a lovely keepsake of your special day. The posts on the cake toppers are also easily removable, so they can also be used for decoration after the occasion.' said My Wedding Accents Owner Kelly Mercer.

The crystal monogram cake toppers are top quality and affordable at \$59.95 for a 3 piece set with Swarovski Crystal Accents or \$89.95 for a full crystal set. At these low, unbeatable prices, you can't afford to miss out on these spectacular accessories for your wedding!

As a perfect compliment to the cake jewelry line, My Wedding Accents also offers a glamorous selection of Bouquet Jewelry. Swarovski crystals are attached to posts or flexible sticks which can be inserted into a bouquet for beautiful sparkling accents. 'You can also use them to dress up boutonnieres, centerpieces, favors or your cake.' My Wedding Accents offers various designs of bouquet jewelry from the classic crystal solitaire or pearl to crystal swirls, clusters, hearts, butterflies, starfish and more, to match the wedding theme or style.

Always innovative, MyWeddingAccents.com strives to offer their customers the latest styles in wedding & special occasion accessories at the lowest prices.
