

HT Mart Debuts New DVD Display Marquee for the Holiday Shopping Season

This outstanding product is being offered at special introductory pricing and makes the perfect home theater décor gift.

September 22, 2008 (FPRC) -- HT Mart, a leading provider of home theater decor products introduces a hot new product, just in time for the 2008 holiday season. The new product being introduced is an acrylic DVD Display. The DVD Display, is the perfect way to present the current movie playing in your home theater. A recessed cut-out in the middle of the display will hold a standard-sized, plastic DVD box.

The black acrylic stand is 1-foot tall and features a film-perf inspired design along the borders and a 'Now Playing' label at the top. Custom plaques are also available with your personalized family theater name. The self-standing DVD Display is designed to sit on a shelf, desk, or any flat surface.

'Silver Screen Express is working with HT Mart as their Premier Reseller to launch the Home Theater Display Product Line due to HT Marts extensive product offerings and outstanding customer service' said Paul Denomme, President of Silver Screen Express, and creator of the DVD Display.

HT Mart is always on the look-out for unique home theater décor products that will make great additions and great gift ideas. Available now, the DVD Display is being offered at special introductory pricing that is good until October 31st.
