

Chi Massager Online Store Is Now Open!

Opening of Chi Massager Store that offers a wide selection of quality massager machines. Chimassager.com has over 30 different massage products that simulate the top 10 most popular massage techniques

October 11, 2008 (FPRC) -- Chiactivate is very pleased to announce the opening of the Chi Massager website located at www.chimassager.com to offer quality massage products for people to enjoy at home. The site has over 30 different massage products that simulate the ten most popular massage styles. Modern technology has allowed to produce the highest quality of massager for each massage technique such as rolling, kneading, tapping, squeezing and shiatsu massage. Certain massager machines even simulate infrared with shiatsu or tapping massage technique.

The Chi Massager site provides detailed explanations of different massage styles so you can accurately choose the massager that simulates a particular massage style. In addition, the site has massage tips, editorials, and blogs to enhance your knowledge of massage therapy. Chi Massager gives you a comprehensive guide between shiatsu massager, swedish massage and sport massage.

Each massage product on the Chi Massager site is carefully selected, with each one passing the owner's standards before being offered for purchase. "We decided not to carry any massage products that simply don't work," explains Mark. Chi Massager staff are knowledgeable, efficient, and extremely courteous so the customer can call with the comfort of knowing they will be helped.
