

MyTarp.com Introduces New Fabrics To Its Line of Canvas Tarps, Vinyl Tarps, and Mesh Tarps

Leading tarp manufacturer and online tarp retailer My Tarp.com has added a variety of new fabrics to its line of canvas tarps and vinyl tarps.

October 14, 2008 (FPRC) -- MARIETTA, GA -- Leading tarp manufacturer and online tarp retailer My Tarp.com has added a variety of new fabrics to its line of canvas tarps, vinyl tarps, and mesh tarps. With the additional inventory, My Tarp.com now offers one of the largest selections of colors, weights, and types of tarps online:

- 10 oz, 12 oz, and 15 oz canvas tarps
- 12 oz Flame retardant canvas tarp
- 7 oz, 5.5 oz poly tarps
- 10 oz, 16 oz, 18 oz, and 22 oz vinyl coated polyester tarps
- 13 oz and 18 oz flame retardant vinyl laminated polyester
- 10 oz vinyl coated mesh tarp

Tarps are now available in an extended number of colors depending on the weight and type. A complete color list is available at: <http://www.mytarp.com/custom-made-tarps.aspx>.

In addition to the new colors and fabrics, My Tarp.com offers the tarp material in both a treated and untreated option to give versatility over their tarp applications.

For customers who need custom made tarps for specialty applications or odd-sized projects, MyTarp.com offers custom tarp manufacturing. The My Tarp custom tarp experts will position grommits, and hems precisely where customers request. My Tarp will also sell the new fabrics by the yard should customers wish to produce their own tarp applications.

With the addition of the new fabric weights and colors, and My Tarp.com now offers the largest online selection of ready-made tarps for screen shades, hay tarps, box covers, lumber tarps, steel tarps, hauler tarps, pool covers, drop cloths, tennis screens, and more.

About My Tarp.com: Canvas tarps from My Tarp.com (<http://www.mytarp.com>) are proudly made in the USA. In addition to canvas tarps, MyTarp.com also offers truck tarps, vinyl tarps and poly tarps and many other specialty tarps and covers.
