

Access Discounts Features Outdoor Residential Lights for Daylight Savings Sale

Energy Saving Outdoor Lighting Sale Ideal for Fall/Winter Season

(Milpitas, CA) October 22, 2008 - www.AccessDiscounts.com - a leading supplier of commercial lighting, residential lighting and grow lights, today announced its sale on outdoor energy saving lights in recognition of Daylight Savings Time.

The line of outdoor energy saving light fixtures come in variety in styles and provide additional light to dark entryways. Energy saving lights like those available at Access Discounts are an excellent way to address safety issues, increase home value and curb appeal while supporting green energy solutions.

The Daylight Savings Sale features eco-friendly residential lights offering customers significant savings. From hanging lanterns to wall mounted lights, Access Discounts provides affordable lighting solutions for interior and exterior lighting needs.

The use of outdoor lighting fixtures such as the Hunter Kenroy collection offers brighter solutions that are conducive to the green movement. Access Discounts offers low cost solutions for residential and commercial lighting solutions that are high quality and energy efficient. The online retailer provides 100% American made commercial lighting products guaranteed to be of the highest quality lights meeting ETL, UL & CUL standards.

Customers can experience significant savings on residential lights designed for residential or commercial exteriors, entry ways, stairways, parking garages, or storage areas.

"As the economy continues to wane, we know that both low cost and energy saving solutions are more important than ever. Access Discounts offers instant savings to businesses and consumers. Shoppers can benefit from our site-wide cost savings and shipping promotions," stated Christina Roush, spokesperson for Access Discounts.

By offering precision engineered products, Access Discounts brings the very best in energy efficient lighting solutions to market while passing savings on to their customers. Customers can take advantage of Access Discounts' price breaks and implement power saving and cost saving solutions with minimal investment.
