

## **Ocean-attitude.TV, Launches its Nautical Forum for the Water Sports Fans**

*Born at the end of September 2008, Ocean-attitude.TV. is a free nautical Internet TV, offering an A la carte magazine and a thousand videos. Ocean-attitude.tv is all about the nautical world and the water sports. To give its community a new interactive tool, Ocean-attitude.TV now launches its first nautical Forum.*

November 1, 2008 (FPRC) -- Ocean-attitude .TV was born by September 27, 2008 to offer the water sports and the nautical world a high quality Internet TV.

Ocean-attitude.TV is a high quality television with a weekly magazine focusing on nautical events, water sports, ocean, sea, lakes and rivers, the boat industry, as well as the environment. The Weekly magazine offers worldwide nautical news: guests, reportages, Ocean-attitude.TV is permanently aware of water sports events to share with its members.

Interactivity and the quality of debates between the members of the community gives Ocean-attitude.TV a rich content. Members may also suggest videos. The editorial team watches the proposed videos and validate their interest for sports or culture before launching it.

To give its community a new interactive tool, Ocean-attitude.TV now launches its first forum, in French and in English. This new Forum will give the opportunity to all ocean's lovers to share their passion and interests with new worldwide friends.

The first nautical Forum's clubs are dedicated to Extreme sports, Scuba divers, Light Sailing, Sailing Boats, Yacht and engine boats, the Globe trotters club.

The Ocean-attitude.TV team go meeting actors of the nautical world: ocean, sea, lake, or river. Living water sports destinations are to discover, such as Rafting or Canoe, or as well meeting fly fishers in French Savoie or even tremendous yachts.

Martinique, Guadeloupe, Brazil, New-Caledonia, Bosphorus, Mauritius Island, Rodrigue, world competitions, Women's Racing and more. Surfers, divers, kite-surfers, windsurfers or famous sailors are present in the permanently renewed video content.

Ocean-attitude.TV content enriches thanks to its members. The Ocean-attitude Forum brings even more interactivity. Enjoy it and join us in this enormous adventure, our Ocean passion.

Who are we?

Ocean-attitude.TV is born when former TF1 journalists - Rémi Pelletier, Mustapha Kherraz et Serge Billard – encountered Internet communities experts - Agnès Prévot et Stéphane Bouillet, co-founders of the website confidentielles.com -. The encounter between nautical enthusiasts made it possible to associate television and best qualities of web.
