

## **SEO Content Solutions Launches New Online Now Wordpress Widget**

*The 'Online Now' Wordpress Widget by top SEO Copywriting Firm SEO Content Solutions offers real-time and cumulative daily visitor counts.*

November 10, 2008 (FPRC) -- Bloggers can now boast the number of current and cumulative daily visitors on their Wordpress blogs, as well the locations of the 5 most current visitors. Launched by SEO Content Solutions, a leading SEO copywriting firm, the new Online Now Wordpress Widget is free to all and compatible with all Wordpress versions.

"We wanted to create something that was both fun and functional for the blogging community. Not only does the 'Online Now' Wordpress Widget pique the interest of a casual reader, but it also validates the blog by proving that readers from all over the world frequently read and comment," said Christine O'Kelly, Founder and Co-Owner of SEO Content Solutions.

The widget is available for free download on the company's website <http://www.seocontentsolutions.com/online-now-widget.html> and is compatible with any Wordpress blogging platform. The visitor count automatically resets at midnight on the blogs' specified time zone.

To add the 'Online Now' Wordpress Widget to their blogs, bloggers simply download the widget, activate it from the plugins directory, and position it along with their other sidebar widgets.

About SEO Content Solutions: SEO Content Solutions is a leading provider of online content specifically designed to increase search engine rankings. Clients include individual companies as well as large SEO and web development firms. All of the company's SEO copywriters are trained and certified. The company is passionate about producing quality content that is optimized for both search engines and humans.
