

Palonek Helps Tampa Families Find Cash This Christmas

When Edward Palonek appeared on the Oprah Winfrey and Maury Povich shows, he found more than \$100,000 for callers and guests on these shows; And the best part of it all was that the money found belonged to the viewers who have forgotten about these small fortunes in some way. Today Mr. Palonek continues to help thousands of Americans locate their missing money each year.

December 17, 2008 (FPRC) -- Wondering what you can do for Christmas? You could get your picture taken with Santa at the Hyde Park Village, or you could find a box under the Christmas tree filled with money.

Edward Palonek from foundmoney says, Tampa Florida residents have approximately \$21,000,000 dollars in unclaimed money that remain to be claimed. Some of this money is in the form of dormant accounts in financial institutions, insurance and utility companies, securities and trust holdings. Unclaimed Property also includes tangible property such as jewelry, coins, currency, stamps, historical items and other miscellaneous articles, from safe deposit boxes.

“With just 71,220 families in Tampa, the chances of finding money are pretty good”, says Palonek. It appears that half of these families could have some unclaimed money. This works out to be roughly a \$368 per family. Some Tampa residents have more money than others.

Mr Palonek, founder of FoundMoney.com, helps to reunite people with their lost or forgotten money and was the first company on the Internet do so. Foundmoney, a company started in 1994, specializes in unclaimed money and has reunited thousands of people with their lost and forgotten money.

Here is a short list of some Tampa residents that may be able to cash in on that unclaimed money:

\$13, 778 Joseph M. Cartaya
\$35,818 Hellen Ernst
\$25,000 Gregory Gudda
\$7,302 George Wilson
\$43,689 Marianna C. Omer
\$5,652 John Thompson
\$1,778 Iamarco Ray
\$1,951 Thomas Newkirk
\$8,286 David E. Myers

Even our very own Tampa General Hospital has unclaimed money, with over 16 accounts the amount is estimated to be in the range of \$10,000 to \$12,000. This money certainly could go towards a good cause at the Hospital, says Palonek.
