

New Worldwide Web Directory to Help Golfers Find Instruction

Networking WW, LLC launches a new Golfing Directory to help budding golfers locate golf instructors, golf schools, junior golf camps and golf training aids.

January 14, 2009 (FPRC) -- Networking WW, LLC is pleased to announce the launch of their new worldwide golfing directory GolfInstructionLocator.com. This new directory aims to connect individuals interested in improving their game with golf instruction professionals, golf schools and golf businesses offering training aids.

Locating golf instructors or golf schools can be a difficult task. Typing the phrase "golf instruction" or "golf school" in any search engine will reveal millions of results. GolfInstructionLocator.com provides an alternative method to locating golfing instruction worldwide.

So that you can spend more time on your golf swing and less time searching the web, the directory aims to be easy to navigate and strides to displays feature-rich listings. The web site also enables viewers to request information directly from the golf schools, golf instructors or golf equipment companies.

Professional golf instructors, golf schools, golf equipment providers and golf training aid companies can use the new site to gain marketing visibility to a targeted golf audience. Placing an advert on GolfInstructionLocator.com is simple and cost-effective.

"We offer golf professionals and businesses the opportunity to increase their exposure through feature rich classified ads in a cost effective manner" said Debbie, founder of Networking WW, LLC. "Visitors to our site will find a clean organized layout enabling quick efficient search results."

The directory also includes a number of Golfing articles covering topics such as Critical ball position and Swing fundamentals. An additional feature is a periodical newsletter which offers golf instruction tips, golf training aid reviews and current golf specials.
