

Green Affiliate Launch for Investing and Industry Websites in Renewable Energy, Water and Environment

Investing In a Better World; Renewable Energy, Cleantech and Water Industry and Investing Affiliate Program. Affiliate websites in the sector can now feature stock directories in cleantech.

January 17, 2009 (FPRC) -- POINT ROBERTS, Wash., Delta B.C. InvestorIdeas.com, and its global investor and industry Greentech portals announce the launch of a new affiliate program for renewable energy, green and water industry and investing websites.

Affiliate websites in the sector can now feature memberships to access investing info and stock directories in cleantech.

Investor Ideas was one of the first investor websites covering renewable energy and water investing and is known as a global destination for research tools and resources. Affiliates can now offer the research directories as an added tool to their site visitors and members, as well as create a new online revenue stream.

Investor Ideas memberships includes access to restricted content at the Water Stocks Directory, Renewable Energy Stocks Directory, the Biotech Stocks Directory, Defense Stocks Directory and the Insiders Corner by Michael Brush. New content and features are added regularly and each stock directory is updated monthly with additions and changes.
