

theWeddingFavorBar.com Launches 2009 Wedding Favors

With a difficult economic year ahead, brides need better, less expensive options for them to help realize the wedding of their dreams. This new line of wedding favors does that with elegance, fun and style.

February 4, 2009 (FPRC) -- This January, theWeddingFavorBar.com announced an expanded line of wedding favors for 2009. Over 200 products have been added that are sure to add elegance, style, and fun to your wedding, party, or event.

The new line includes a wide variety of coasters, place card holders, candles, candy jars, and much, much more. As we enter a challenging economic year, we have made sure to keep prices down while still creating innovative and stylish designs. This is especially true with our new Favor Saver line from FashionCraft. These wedding favors are all priced low to help brides in 2009 afford the wedding of their dreams while not sacrificing quality. Some of our new products include:

Personalized Glass Favor Jars (Set of 12)
"Sea Glass" Luminary with Beaded Handle (Set of 3)
"Park Place" Vintage Park Bench Place Card/Photo Holder (Set of 4)
Butterflies Laser-Cut Favor Box (Set of 24)
Love & Heart Design Favor Saver Bookmarks
Love Design Favor Saver Candles
"Let's Celebrate!" Champagne Flute Gel Candle (Set of 4)

Our new 2009 products include wedding favors for all seasons and a number of themes, such as Asian weddings, beach weddings, Jewish weddings, etc. We have even added some favors that go Green and are environmentally conscious. Along with new wedding favors, the company has also updated its line of bridal shower favors and baby shower favors.

It is going to be an exciting year in weddings!
