

CertExams.com Oracle Certified Associate Online Exams

CertExams.com, has recently released Oracle OCA DBA 10g (Oracle Certified Associate) practice tests The OCA practice tests offered by CertExams include 250+ questions written by competent and experienced authors.

February 4, 2009 (FPRC) -- CertExams.com has recently released Oracle DBA 10g Admin (Oracle Certified Associate) practice tests. OCA Certification is intended for candidates who have at least one year of experience in Oracle DBA configuration and administration. The practice tests offered by CertExams.com include 250+ questions.

The advantages of a online exams are:

1. Ability to gauge one's preparedness to take actual certification exam,1.
2. To prepare for the exam objectives thoroughly from a different perspective (from the study guides),
3. To acquaint oneself with actual exam environment (such as timed test, lab practice, scenario based questions, etc.).

OCA dba 10g is most widely taken certification at present, though 9i, and 11g are also offered by Oracle. Candidates are expected to renew certifications by taking renewal exam or by taking revised exam as and when it is offered. There are three levels in any Oracle certification.

- * ORACLE CERTIFIED ASSOCIATE (OCA)
- * ORACLE CERTIFIED PROFFESIONAL (OCP)
- * ORACLE CERTIFIED MASTER (OCM)

OCA is the foundation level certification. Register for a free demo exam pr read more about OCA Certification exams at <http://www.certexams.com/oracle.htm>

Demo exams are provided at <http://online.certexams.com>. After a simple registration process, candidates will have access to several demo practice exams. Demo exams enable a candidate to evaluate the software, and buy full versions of the software.

The practice tests may be ordered by going to <http://www.certexams.com/buy.htm>
