

## **Green Jeans Creative Launches New Website**

*Green Jeans Creative announces the launch of their new website [www.greenjeanscreative.com](http://www.greenjeanscreative.com)*

February 9, 2009 (FPRC) -- Denver, CO - Green Jeans Creative, a graphic design firm located in Denver, Colorado, announces the launch of their new website [www.greenjeanscreative.com](http://www.greenjeanscreative.com).

To highlight their professional print and branding design services, Green Jeans Creative focused the design of the website to feature new portfolio samples and highlight testimonials from clients that range from health sciences companies like Cell Science Systems to manufacturers like Shade Sails of Florida.

“We strive to create a continuous look and feel throughout our client’s print materials to build identify and strengthen brand recognition. Our core areas of expertise are specific to traditional offline channels, which we tried to reflect in the look and feel of our new website,” said Anne Grinney-Colomban, Partner at Green Jeans Creative.

### About Green Jeans Creative

Green Jeans Creative is a design agency that specializes in print design, logo development and branding design services. They create designs for both large and small businesses. The company founders created the company around the belief that unique designs can help influence a person’s decision and produce real results. The company was founded in West Palm Beach, Florida in 2006 and relocated to Denver, Colorado in 2007.
