

## **ForeCaddieGolf.com Adds Hotels To Myrtle Beach Golf Packages**

*ForeCaddieGolf.com adds national hotel chains to roster of Myrtle Beach Golf package accommodations.*

February 11, 2009 (FPRC) -- Just in time for the 2009 season, ForeCaddieGolf.com, the leading Myrtle Beach Golf Package provider, has added a great list of top hotels to its roster of accommodation options. Popular chains such as Fairfield Inn, Hampton Inn, Holiday Inn, and Marriott are all now options for our golf packages.

Whether you are traveling in a large or small group, staying in a hotel as opposed to a condo can offer you the luxury of your own room, an onsite bar, daily housekeeping, a pool, and many of the other amenities you would expect from a top hotel chain.

ForeCaddieGolf.com has strategically selected hotels that cater to golfers and are located near popular nightlife spots and most golf courses. We are very familiar with the top priorities most groups have on their Myrtle Beach Golf trip and we have planned accordingly. We are also able to add these hotels to our roster at great, low rates. The economy is tough right now and we strive to keep our prices as low as possible.

Myrtle Beach is home to about 100 great golf courses. If you are looking for a fun family vacation or getaway with the guys/girls, this is the place.
