

JimOnLight.com Taking Advertising Offers

Lighting industries blog JimOnLight.com is accepting advertising offers from companies dealing with the various lighting industries. Only lighting industries companies will be considered.

February 24, 2009 (FPRC) -- Lighting industries blog JimOnLight.com is taking advertising offers from companies dealing with light and the lighting industries.

Lighting industries blog JimOnLight.com is accepting offers for advertising on its website devoted to the lighting industries. Readership on JimOnLight.com has an established readership and is growing at a high rate. Advertising offers will be considered by companies dealing in the lighting industries - LEDs, Medical light, Entertainment Business Lighting, Architectural Lighting, Industrial Lighting, Research and Development, and other companies working with light. The readership of Jim On Light is a dedicated, hard working population with above average intelligence, and a genuine interest in the advancement of their industry.

Jim On Light publishes blog posts and lots of images of lighting industry relevant topics - new products, company profiles, industry conferences, designers, design firms, light art, lighting installations, lighting in the stimulus and political realm, lighting and the economy, and many other topics specifically related to the various lighting industries.

Get your advertisements in the eyes of people in the industries who want to see them! Please visit the advertising page on JimOnLight.com. In order to continue to bring the type of content that Jim On Light readers expect, I will only entertain advertising offers from companies that are specifically related to the lighting industries, including LED manufacturing and electronics, lighting product companies, and lighting manufacturers.
