

## **Sandbox Couture Adds Small Plum Organic Bamboo Grass Baby Clothes**

*Environmentally friendly, sustainable fabric is a natural choice for kids*

March 5, 2009 (FPRC) -- Sandbox Couture.com, a popular online children's boutique retailer of baby clothes, girls clothes and baby gifts, today announced the addition of Small Plum organic bamboo grass baby t-shirts, one piece and pants. The new line adds to the existing selection of organic baby clothes and accessories available at [SandboxCouture.com](http://SandboxCouture.com).

"Going green is more than just a fashion trend, it's a way of life and with these organic bamboo grass clothes by Small Plum, little ones are making a bold statement," stated Sam Brown, spokesperson for Sandbox Couture. "Naturally processed with a texture similar to raw silk, these organic pieces are easy to maintain, long lasting and kid tested. We are pleased to bring yet another quality line of children's wear to our customers."

As one of the most sustainable resources, bamboo grass grows naturally without the need for irrigation, fertilizers or pesticides. Our PVC-free screen print designs are water-based and eco-friendly. In addition to absorbing greenhouse gases, the benefits of using bamboo grass aid the environment and benefit the consumer. Small Plum processed naturally processed organic garments feel like silk and the odor resistant fabric wicks water considerably faster than cotton. Bamboo grass fabrics provide UV ray protection, are hypoallergenic, thermal regulating, are fast drying and have anti-microbial properties.

In addition to Small Plum organic baby clothes, SandboxCouture carries styles from popular designers such as Ooh La La Mama, Small Paul by Paul Frank and Baby Nay. Featuring an assortment of boys' and girls' tops and bottoms, shoes, hoodies, footies, cargo pants, shorts, pajamas, and accessories such as babies' and children's socks, tights, shoes, backpacks, shopping cart covers, blankets, hats and mittens.

Known as the source for quality children's clothes and couture fashions for babies and children, Sandbox Couture has provided busy parents -- and a loyal following of couture shoppers and celebrity moms -- a convenient outlet for quality, value and fashion savvy designs for little boys and little girls. Sandbox Couture has developed a reputation for offering couture children's fashions, at prices that parents will appreciate. From unique designs to the hottest trends, Sandbox Couture's collection of designers offers the convenience of online shopping and the benefits of online savings.
