

New Popular Sound Across the World Reaches America

Modern twist a fusion of Rock'n'roll,Rap and Popular music which has been embraced by thousands in Europe,Africa and Asia is finally making its way into America.The song Modern twist this May became available on Amazon mp3 and will be available on itunes by the first week of June.

May 22, 2009 (FPRC) -- Modern twist a fusion of Rock'n'roll,Rap and Popular music which has been embraced by thousands in Europe, Africa and Asia is finally making its way into America. The song Modern twist this May became available on Amazon MP3 and will be available on iTunes by the first week of June.

Raul Mustaev a co-founder of Rnb-music.ru one of the biggest Rnb websites in Russia with the second biggest Rnb forum in eastern Europe says 'It's an awesome project that has an idea that should be interesting to everyone' and Kofo David politician and music critic from London UK agrees adding 'The music is endorsed as good stuff.'

The song Modern twist is the second song by the Unitedzz band a group made up of artists from Africa, Asia, Europe, America and Australia, the song is a mixture of Rap, Rock 'n' roll and Electronic dance music.Before its release the song was tested in night clubs to find out the reaction and it was received positively. The Unitedzz band's first song was 'peacepipe' which was and is quite popular in eastern Europe and India is in five Languages English, Russian, Spanish, Bashkiri and Hindi, and was a mixture of Rap,Latino and Ethnic music, and it is available on youtube, facebook and vkontakt the Russian analog of facebook . The unitedzz band is a band that likes experimenting and mixing all kinds of music,and at the same time is committed to making good quality music.

The song Modern twist can be found at Amazon mp3 through this link and the Unitedzz band has added peacepipe as a free bonus! and also demo online streaming.
