

Best On Puerto Vallarta Now Featuring A Signature Puerto Vallarta Dolphin Swim Tour

Premier Puerto Vallarta tour operator, Best On Puerto Vallarta, is currently featuring a signature dolphin swim tour. On this exclusive Puerto Vallarta dolphin adventure, guests enjoy a 40-minute swim with the playful mammals.

June 8, 2009 (FPRC) -- PUERTO VALLARTA, MEXICO - Best On Puerto Vallarta, a premier Puerto Vallarta tour and activity center, recently announced it is now featuring a signature dolphin swim tour. This exclusive tour takes place at Best On Puerto Vallarta's personal dolphin center, featuring a state-of-the-art private lagoon. The lagoon serves as the ideal location for guests to enjoy dolphins in a comfortable and safe environment. Best On Puerto Vallarta's signature dolphin swim tour is priced at \$142 per person.

Guests taking part in the signature dolphin swim tour are educated about the playful mammals prior to any interaction to ensure the most enjoyable and safe experience possible. Unlike other dolphin swim tours, Best On Puerto Vallarta's signature dolphin swim tour does not include any activities that may be harmful to the dolphins, including the 'foot push,' which could injure dolphins' noses.

"At Best On Puerto Vallarta, we are committed to the research and education of dolphins and other marine mammals, which is why all of our dolphin tours are enjoyable for both the dolphins and our guests. Visitors from around the world have found our signature dolphin swim tour to be the best Puerto Vallarta dolphin experience available. From the educational program, to the exciting dolphin swim, this tour is definitely one not to be missed," says Scott Gardner of Best On Puerto Vallarta.

Best On Puerto Vallarta's educational program includes a lecture for guests to learn about the dolphins' unique behavior, lifestyle and physiology. Additionally, professional instructors allow visitors to listen to the dolphins communicate with each other through the use of a hydrophone.

After the educational program, visitors then take part in a 40-minute dolphin swim. Since dolphin swim group sizes are five people or less, all guests are ensured an intimate experience with the playful, gentle animals.
