

## **Golf Course for Sale**

*Finding a Golf Course for Sale just got easier as the National Golf and Resort Properties Group launches new interactive web site to help sellers market their Golf Courses for Sale as well as buyers looking for a Golf Course for Sale.*

June 12, 2009 (FPRC) -- The National Golf and Resort Property group chooses e2 Digital Marketing, LLC to design, develop and launch it's new web site. The site is specifically designed as an interactive marketing platform to allow buyers and investors quickly and easily find golf courses for sale - nationwide.

Buying a Golf Course is more involved than just looking at pictures of Golf Courses for Sale. The new site is contains research information that are specific to Golf Course Sales.

The site features Online Documentation including:

-- Executive Summary for all Golf Courses for Sale.

-- Offering Memorandum. Potential buyers and investors have direct access to confidential offerings documents for all Golf Courses for Sale.

-- Due Dilligence Vault. Golf Course buyers have access to the due dilligence vault which contains a variety of documents necessary for evaluating the golf course for sale such as: contracts and vendor agreements, financials, third party reports, and a full market package.

The National Golf & Resort Properties Group specializes in marketing golf courses for sale - nationwide. Our golf course experts have a combined 43 years of golf and brokerage experience. This, coupled with the most powerful golf course and resort property marketing platform in the nation, provides benefits for both resort and golf course sellers, as well as buyers and investors looking for resort properties or a golf course for sale.

Marketing Golf Courses for Sale requires specialized expertise and resources. Visit our new site today.
