As one of the firm's most unique Bahamas adventures, the new jet ski tour is perfectly suited for water-loving travelers who want to see the Bahamas in a whole new way. The fully guided tour is based in and around the Lucayan shoreline.

Travelers agree the Lucayan Jet Ski tour of the Great Bahama Island is one of the best Bahamas activities you can do. Cruising along the shoreline of Lucaya, the jet ski Bahamas activities are a great way to experience the sun, sand and expansive oceans of the Bahamas. The tour is designed to appeal to both the adventure seeker and the mellow cruiser. Jet ski Bahamas adventures let the watercraft rider enjoy the pristine landscape of the Bahamas, as viewed from the waters. The Lucayan Jet Ski Bahamas tours are designed for both the first time and the experienced jet skier.

"For travelers looking for things to do in the Bahamas apart from sunbathing and gorging on authentic cuisine, our jet ski tour offers a fun and thrilling alternative. More than just a standard guided tour of the Bahamas, our jet ski tour will give travelers a hands on experience, taking in the beauty of the island as well as interacting with the various sea wildlife that can be spotted when aboard a jet ski. For those fearful of deep sea diving or snorkeling, jet ski Bahamas tours are a great way to experience a bit of everything," says Chris Gardner of Best On Bahamas.

The jet ski Bahamas adventure lasts for 90 minutes and all riders are accompanied by a professional and knowledgeable local tour guide. The jet ski travels full throttle or gently cruises along the water, while watching dolphins, sea turtles, manta rays and exotic sea birds. Other sights to enjoy are the exotic scenery of the Bahamas including the mansions of the multi-millionaires that dot the shoreline at Millionaire's Row.

The tour is interrupted by a quick stop at one of the beautiful islands of the Bahamas, Petersons Cay, where refreshments are provided before jetting away into the panoramic seascape again. The Lucayan Jet Ski Bahamas adventure is priced at \$150 for single as well as double riders. The Bahamas tour operates twice daily, with trips in the morning and afternoon.

"This is a great way to enjoy a perfectly relaxing holiday on the Bahamas and should be one of top things to do on everyone's list. For those interested in traveling solo, we also offer jet ski rentals for unsupervised tours of the Caribbean," concludes Gardner.
