

Titanium-Jewelry.com Introduces Matching His and Hers Wedding Bands

Leading online jeweler offers resources to simplify and demystify ring shopping for brides and grooms

June 25, 2009 (FPRC) -- Titanium-Jewelry.com, a leading online retailer of men's wedding bands, tungsten rings, titanium rings and unique contemporary jewelry, announces the launch of its his and hers wedding bands shopping page. Specializing in alternative metals and men's wedding rings, the site offers companion bands for couples looking to make a statement with matching palladium, platinum, titanium and tungsten wedding bands.

"Today's couples are blending the beauty of old tradition with their own, new practices, such as choosing wedding bands made of materials other than gold," said Ron Yates, founder, Titanium-Jewelry.com. "The use of modern metals allows us to continue the time-honored tradition, while ushering in a new era of style and design made possible by advances in metallurgy and the use of contemporary metals. Our his and hers wedding band selections make it easy for brides and grooms to find just the right wedding bands to symbolize their unity."

Titanium-Jewelry.com showcases its matching wedding bands that range from the affordable Classic Titanium Wedding Band by Edward Mirell, to the ultra chic brushed satin finish of the 7mm Flat Palladium Wedding Bands by Diana Classic. Titanium-Jewelry.com is happy to assist couples in search of the ultimate wedding bands that fit their personalities and lifestyles.

Offering the finest selection of wedding bands from designer such as ArtCarved, COGE, Diana Classic, Edward Mirell and J.R. Yates, Titanium-Jewelry.com is a trusted resource for its depth and breadth of knowledge and experience in contemporary metals. Through a series of educational videos available on Titanium-Jewelry.com, customers can research and learn about the benefits of modern metals and how to protect their investments in precious gemstones and fine jewelry.

Titanium-Jewelry.com brings cutting edge designs to market offering affordability and stylish value to couples in search for unique rings and contemporary jewelry. Enticing grooms and couples worldwide, the online retailer provides a multitude of styles and metals representing the best selection of palladium rings, titanium rings, tungsten rings, and men's wedding bands for the up and coming male and female demographic.
